

# Rosco Track Fitting Range

Track Lighting

## **Product Information**

The **Rosco LED Adjustable** range of track fittings are ideal for domestic, retail & commercial applications where you want a highly efficient light source.

With multi wattage functionality these fittings provide an all-in-one solution allowing the installation to have the same look throughout whilst only using the power output required. GU10 versions geared towards domestic applications, **adjustable beam angle versions** ideal for retail applications and the high output, multi-wattage & CCT versions ideal for commercial environments, the Rosco range of track fittings can cover all bases.

#### **Product Features**

- 3 year warranty (1 year for GU10 Versions)
- Class I
- IP20
- Single circuit Track fitting
- Integrated LED or GU10 Options
- Selectable wattages
- Selectable Colour Temperatures 2700K, 3000K or 4000K
- Adjustable beam Angle (10W version only)
- CRI: Ra>92
- Lighting designers can download photometric data from our website
- L70 40,000hrs
