KSR6575GUN

ROSCO GU10 SHADE ONLY GUN METAL

The Rosco LED Adjustable range of track fittings are ideal for domestic, retail & commercial applications where you want a highly efficient light source. With multi wattage functionality these fittings provide an all-in-one solution allowing the installation to have the same look throughout whilst only using the power output required. GU10 versions geared towards domestic applications, adjustable beam angle versions ideal for retail applications and the high output, multi-wattage & CCT versions ideal for commercial environments, the Rosco range of track fittings can cover all bases
