

PHOTOCELL SENSOR FOR INTEGRAL PRODUCTS

Our IP54 Photocell integral product sensor allows you to turn a non-Photocell fitting into a Photocell fitting. The included adjustment Lux dial allows flexibility & its IP54 rating allows it to be used in external fittings.

FEATURES & BENEFITS

PRODUCT SPECIFICATION

Product Code	Product Description	Class	Height (mm)	Length (mm)	Width (mm)	Cut-Out(mm)
KSR8407	Photocell Sensor for integral products	II	37	75	24	12

GENERAL INFORMATION

IP Rating	54	Height (mm)	37
Input Voltage (V)	240	Supplied Cable Length (mm)	150
